Serenity

Roy Hargrove Quintet

The light behind your eyes
Tells me that you've cried
Sometime tonight
I offer down my hand
But without your plans
You cannot hideThe white snow falls, I cannot see
On my black heart in front of me
Say it to me in a way that I can understandI hear You call, loud and clear
It melts my heart, take my fear
Show me how to see the love that brings serenityI'm pouring out my love
Open up your hands
Not big enough
You tried to do it all
It's time for you to fall
You've done enoughOh, my God, I've worked so hard
I've gotten nowhere
