

# Serenity

## Roy Hargrove Quintet

The light behind your eyes  
Tells me that you've cried  
Sometime tonight  
I offer down my hand  
But without your plans  
You cannot hideThe white snow falls, I cannot see  
On my black heart in front of me  
Say it to me in a way that I can understandI hear You call, loud and clear  
It melts my heart, take my fear  
Show me how to see the love that brings serenityI'm pouring out my love  
Open up your hands  
Not big enough  
You tried to do it all  
It's time for you to fall  
You've done enoughOh, my God, I've worked so hard  
I've gotten nowhere
