

# Make Believe

## Aquariums

You are not alone  
In this land of make believe  
You wail and you moan  
And weep tears of disbelief

We paint the landscapes of a brighter tomorrow  
The end is coming no time left to borrow  
The leaves change and we must leave this place  
Before the shadow of death falls upon your face  
I knew a man with wisdom in his mind and rotten life on his breath  
He said, "You will soon meet death."
