

Chat To Mi Back

Lady Saw

Whatever, mix up again
All dem cyan do, all dem cyan say
Mi man love me bad and him nah go nowhere
When dem a watch and when dem a chat
Mi walk out pon dem and mi shoot out mi back
Chat to me back, chat to me back
'Cause dis a body that a gyal can't knock
Chat to me back, chat to me back
Dem pop down buh we still hot
Nuh put yuh dutty hand inna mi face
Unless yuh wan fi run out a di place
When yuh see mi man gyal don't violate
Outta har me a mate
Anyday yuh feel you can rush dis
You and your friend dem gang up and touch dis
If ya bad march out and brush dis
Mek me introduce yuh to mi cutlis
You and yuh friend dem a whole jing fence
Body cramp up and face fulla dents
Foot back dem jus like cement
Chat To me back no inna no argument
Chat to me back, chat to me back
'Cause dis a body that a gyal can't knock
Chat to me back, chat to me back
Dem pop down buh we still hot
Nuh put yuh dutty hand inna mi face
Unless yuh wan fi run out a di place
When yuh see mi man gyal don't violate
Outta har me a mate
Dem affi chat to mi back when they talk about me
I'm so hot and flippin' bounty
Have houses a New York [unverified]
Only rich man ever dear to approach me
A gyal a chat buh tis not tha serious
If it was, dem wouldn't be so near us
Me run things, no gyal nuh scare us
When we come tru, gyal affi fear us
Chat to me back, chat to me back
'Cause dis a body that a gyal can't knock

Chat to me back, chat to me back
Dem pop down buh we still hot
Nuh put yuh dutty hand inna mi face
Unless yuh wan fi run out a di place
When yuh see mi man gyal don't violate
Outta har me a mate
All dem cyan do, all dem cyan say
Mi man love me bad and him nah go nowhere
When dem a watch and when dem a chat
Mi walk out pon dem and mi shoot out mi back
Dis a body a no need body guard
Mi badda road gyal badda dan ya yard
When mi bad, mi bad fi yah 'cause
Fi mi baddness nuh put pon pause
Mi no tek no talk from gyal
Gyal dis me, arrange burial
Dress up inna black and go funeral
Tell a dutty gyal say the war brutal
Chat to me back, chat to me back
'Cause dis a body that a gyal can't knock
Chat to me back, chat to me back

Nuh put yuh dutty hand inna mi face
Unless yuh wan fi run out a di place
When yuh see mi man gyal don't violate
Outta har me a mate
