

Give Me You

Matt Palmer

Give Me You

Verse 1:

The things that you do
Make me feel a fool
When I'm up all night here by the phone
Just waiting on you
I think I know why
You leave me out to dry
Boy, you want the power and you know
I'll take it in stride

Pre-Chorus:

You're telling me no but really mean yes
You say I should know but I must confess
That I'm so lost and at what cost
You wanna be hard, I wanna be soft
I wanna go in, you wanna go off
I can't keep up, just give me love

Chorus:

Boy, just give me you
Why do we play these games
I'll jump through your hoops
But they drive me insane
All I wanna do
Is kiss & love on you baby
You're what I'm into
So just give me you

Verse 2:

I'm hearing you say
You want me to stay
And if that's the truth I'll see it through
But you've gotta change
My heart's on the line
So don't waste my time
And always be true cuz if you do
You'll always be mine

Pre-Chorus 2:

You're telling me no but really mean yes
You say I should know but I must confess

I can't keep up, just give me love

Chorus

Bridge:

Don't make me miss your velvet kiss

Don't make me miss your velvet kiss

Don't make me miss your velvet kiss

Don't make me miss your velvet kiss, tonight

Chorus
