

America!

John Redmon

(Intro) America! America! America!

(Chorus)

It's a land that I love and a land of the free.

It's a home for you and for me.

Standing strong and unified

Brotherhood for all mankind.

America's where dreams come true.

(I)

And though we wage war and we battle against other nations

With only one thing in our minds.

We stand strong in God's might

And with dignity we fight.

Coming home with victory in our song!

(Repeat Chorus)

(II)

See the red, white and blue as it waves high in the sky

Saluted by the whole wide world.

We stand tall. We stand proud.

"America!" we shout out loud

With dignity and honor in our voice!

(Repeat Intro and Chorus)

(TAG)

(America!) For purple mountains!

(America!) And majesty!

(America!) For amber waves of grain...!

(America!) From sea to shining sea!

(America rounds)

It's a land that I love. It's a land of the free.

It's a home for you. It's a home for me.

A land of sweet liberty where dreams become reality!

(Repeat Chorus)
