

# Catch Hell Blues

## The White Stripes

If you go lookin' for hot water  
Don't act shocked when you get burned a little bit  
If you really want some hot water  
I can help you find it, oh oh, ah yeah  
Well, if they catch me around you're playin' 'rock the boat'  
I'm gonna catch hell  
And if you're throwin' your voice in bed singin' a note  
I'm gonna catch hell, I know it, yes sir, try and catch me  
Tricky, tricky, yeah, oh, oh  
If you're gettin' tricky lyin' to yourself  
You're gonna catch hell  
And if you're testin' God lyin' to his face  
You're gonna catch hell, c'mon  
Hey, that's it, they're gonna catch you  
Ha ha, they're gonna catch you  
(Easy)
