

Timeless (feat. Veela)

Rameses B

Be still now
And feel the water
Keep the ground
Upon your cheek when you dwindling
You be kind
And let me go
I'm as timeless as you feel
Timeless as you feel Timeless as you feel Be still now Keep the ground You be kind
And let me go,
I'm as timeless as you feel
I'm as timeless as you feel You be kind
And let me go,
I'm as timeless as you feel
