The Brian Jonestown Massacre

Baby
I'll not let you go
without letting you know
that I love youIt's crazy
but I can't let you go
cause I'm certain you know
that I love youThere's that look in your eyes, you
And that look in your lies, yes it's true
Baby I'll not let you go
without letting you know
that I love youIt's crazy
cause I'm certain I've shown
that I know that you know
how I love youYou're starting to cry
Don't you do what you do,
yes you doBaby I can't let you go
till I'm certain you know
that I love you
It's crazy cause
I'm certain I know
that I've probably shown
that my love's true
