

# How will I know

DJ Galaga

I know there is something that I'm feelin  
But I can't quite put it into words  
It's got me hopin  
Hopin that you feelin it too  
Cause for me it's a first Does anyone truly understand  
What real love is about?  
Don't say I'm too young to know what's real  
My heart skips a beat, I can hardly breathe  
Every time that he comes near It's so amazin, almost crazy  
How I'm thinkin bout you lately  
Tell me how in the world did it come to this?  
It took me by surprise  
When you opened my eyes  
To hopefully show me what love is (How will I know?)  
Could it be the butterflies I feel  
Whenever I'm with you?  
(How will I know?)  
Or the way Im at a loss for words  
I can hardly keep my cool (How will I know?)  
Everyday now, stop, stop, stop  
I keep thinkin bout you  
How will I know I'm in love? (How will I know?)  
Could it be the butterflies I feel  
Whenever I'm with you?  
(How will I know?)  
Or the way Im at a loss for words  
I can hardly keep my cool (How will I know?)  
Everyday now, stop, stop, stop  
I keep thinkin bout you  
How will I know I'm in love? Somebody tell me  
Will I ever know?  
Somebody tell me  
Will I ever know? If it aint love  
Then tell me why am I always  
Searchin for excuses to call?  
And if it aint love  
Then tell me why am I always  
Hopin' to see him in the hall? And if it aint love  
Somebody tell me why I lie awake at night

Starin' at the walls?  
And if this is love  
Then I don't really need it  
Cause I'm happy here with no love at all It's so amazin, almost crazy  
How I'm thinkin bout you, baby  
Still I don't really know if this is real  
I want you so much more but I'm unsure  
If this is true love that I feel (How will I know?)  
Could it be the butterflies I feel  
Whenever I'm with you?  
(How will I know?)  
Or the way Im at a loss for words  
I can hardly keep my cool (How will I know?)  
Everyday now, stop, stop, stop  
I keep thinkin bout you  
How will I know I'm in love? (How will I know?)  
Could it be the butterflies  
I feel whenever I'm with you?  
(How will I know?)  
Or the way Im at a loss for words  
I can hardly keep my cool (How will I know?)  
Everyday now, stop, stop, stop  
I keep thinkin bout you  
How will I know I'm in love?  
How will I know? Yeah (How will I know?)  
Could it be the butterflies I feel  
Whenever I'm with you?  
(How will I know?)  
Or the way Im at a loss for words  
I can hardly keep my cool? (How will I know?)  
Everyday now, stop, stop, stop  
I keep thinkin bout you  
How will I know I'm in love? (How will I know?)  
Could it be the butterflies I feel  
Whenever I'm with you?  
(How will I know?)  
Or the way Im at a loss for words  
I can hardly keep my cool (How will I know?)  
Everyday now, stop, stop, stop  
I keep thinkin bout you  
How will I know I'm in love? (How will I know?)  
Could it be the butterflies I feel  
Whenever I'm with you?  
(How will I know?)  
Or the way Im at a loss for words

I can hardly keep my cool(How will I know?)  
Everyday now, stop, stop, stop  
I keep thinkin bout you  
How will I know I'm in love?
