

# United States of Eurasia

Museç•€

You and me are the same  
We don't know or care who's to blame  
But we know that whoever holds the reigns  
Nothing will change, our cause has gone insane  
And these wars they can't be won and these wars they can't be  
won  
And do you want them to go on and on and on?  
Why split these states when there can be only one?  
And must we do as we're told? Must we do as we're told?  
You and me fall in line  
To be punished for unproven crimes  
And we know that there is no one we can trust  
Our ancient heroes they are turning to dust  
And these wars they can't be won  
Does anyone know or care how they begun?  
They just promise to go on and on and on  
But soon we will see there can be only one  
United States  
United States of  
Eurasia, sia, sia, sia  
Eurasia, sia, sia, sia  
Eurasia, sia, sia, sia
