

Juliet (Album Version)

Neil Diamond

Juliet I've been waitin'
For so long for you to come back
How I, I've been needin' you, Juliet
Wrapped up all in day dreams
But daydreams won't fill the night time
And I'm so glad I found Juliet
Nananananana...Turn your eyes on me, girl
Wanderin' round inside a grown man
No more than a small boy, sweet Juliet
Bout to give up tryin'
And there you stood
Without your shoes on
You've gone and loved me, sweet Juliet
Nananananana...
