Killswitch Engage

I have opened my eyes to see, the world that surrounds me daily
And I refuse to be led by the majority can't compromise I and I So pass judgment
Judgment will be passed upon you I have opened my eyes to see, the world that surrounds me daily
And I refuse to be led by the majority can't compromise I and I So pass judgment
Judgment will be passed upon you I will stand up for who we are
Never moved, never moved by condemnation
No one is placed higher than another
No matter race or creed or gender
We must teach forgiveness
And compassion for all life Through understanding of our differences
We will find respect for one another
'Cause we are all flesh and blood No one is placed higher than another
No matter race or creed or gender
We must teach forgiveness
And compassion for all life And I'm not afraid to speak my mind
No matter the consequences, stay true to yourself Through the humble eyes of a child
We will realize true equality They cannot take me from me
They cannot take me from me
They cannot take that from my
They cannot take that from my
They cannot take me from me
They cannot take me from me
They cannot take that from my
