More Today Than Yesterday

Goldfinger

I don't remember what day it was
I didn't notice what time it was
All I know is that I fell in love with you
And if all my dreams come true
I'll be spending time with you
Every day's a new day in love with you
With each day comes a new way of loving you
Every time I kiss your lips my mind starts to wonder
And if all my dreams come true
I'll be spending time with you
Oh I love you more today than yesterday
But not as much as tomorrow
Oh I love you more today than yesterday
But darling not as much as tomorrow

Tommorrow makes each springtime just a day away
Cupid we don't need you now be on your way
I thank the lord for love like ours that grows ever stronger
And I always will be true
I'll be spending time with you
Oh I love you more today than yesterday
But not as much as tomorrow
Oh I love you more today than yesterday
But darling not as much as tomorrow
Every day's a new day, every time I love ya
Every time's a new way, every time I love ya...
Very day's a new day, every time I love ya
Every time's a new way, every time I love ya...
Every time I love ya...
