

Out of Town Girl

Justin Bieber

If you were more like an out of town girl, girl, girl, yeah, yeah, yeah
Get your hands up if you out of town girl, girl, girl, yeah, yeah, yeahHey baby girl I love your accent-cent-cent-cent
cent
I think I like you more because your different
Oh, I ain't gotta ask I can tell you ain't from here
Oh, what I gotta do just to show you that I want you near, near, near, near, nearAll you gotta do is read the signs
The exit is to the right,
I don't know your name
But love your smile,
I love the way you put it down, down, down, downIf you were more like an out of town girl, girl, girl, yeah,
yeah, yeah
Get your hands up if you out of town girl, girl, girl, yeah, yeah, yeah
You know I gotta hold it down for my out of town girl, girl, girl, yeah yeah yeah
You can tell, you can tell, she's an out of town girl, girl, girl, yeah, yeah, yeahIf you feeling me, let me know,
we gon' ride the flow
I can be your passport, tell me where you wanna go
Girl don't be shy you won't know if you never try, try, try
When you walk by you're the only one that catches my eye, eye, eyeAll you gotta do is read the signs
The exit is to the right,
I don't know your name
But love your smile,
I love the way you put it down, down, downIf you were more like an out of town girl, girl, girl, yeah, yeah,
yeah, yeah,
Get your hands up if you out of town girl, girl, girl, yeah, yeah, yeah, yeah, yeah,
You know I gotta hold it down for my out of town girl, girl, girl, yeah yeah
You can tell, you can tell, she's an out of town girl, girl, girl, yeah, yeahAll you gotta do is swag
All you gotta do is swag
All you gotta do is swag, swag, swag, yeah
All you gotta do is swag
All you gotta do is swag
All you gotta do is swag, swag, swagIf you were more like an out of town girl, girl, girl, yeah, yeah
Get your hands up if you out of town girl, girl, girl, yeah, yeah, yeah
You know I gotta hold it down for my out of town girl, girl, girl, yeah, yeah, yeah, yeah
You can tell, you can tell, she's an out of town girl, girl, girl, yeah, yeahOh, no, no she's my out of town girl,
girl, girl
She's my out of town girl,
