Kiss You To Death

Alkaline Trio

I?m takin? a ride down the old place
I?ll be droppin? by tonight
You?ll hear me comin from miles away
Screamin banshees haunting my motorbike
I?m takin? a ride down the old place
Droppin? by in just a little while
And I don?t care if we fuck or we talk or we cry
I just miss you, I wanna kiss you to death tonight
(Chorus):
Oooh whoa oh oh
Kiss you to death tonight
Oooh whoa oh oh
Kiss you to death tonight
We?re takin? a ride down the old place
And I haven?t seen you in a while
I miss takin? out the trash, I miss your face, I miss your cat
I miss your smile, I wanna kiss you to death tonight

(Chorus)
Whoa oh oh
Whoa oh
Whoa oh oh
You?re in my heart
You?re in my skull
You?re in my blood
You?re in my bones
You?re in my heart
You?re in my skull
You?re in my blood
You?re in my bones
Yeah
Kiss you to death tonight
Kiss you to death tonight
(Chorus)
