

Maze

Apoptygma Berzerk

Will you fight on my side?
Will you stand by me until you fall?
I'm the deaf, you're the blind
Lead me out of this maze
I'm out of time You're out there, I'm still in here
Hoping this day would never come
Now it's time to get away
I was hoping this day would never come (get me out of this maze)
