You Only (Acoustic Version)

Tree63

Those who live up in the Heavens
And those who live down in the deepest place on earth
Will hear Your name, will know Your fame
All creation will look up and know thatYou, Only You
Can lead us to Your awesome majesty
Where we, we will be worshiping You only
It's You only, yeah, yeahWe have heard You in the fire
And we have followed You across the ocean floor
That's how it goes, the story grows
Two thousand years and still You're speakingYou, Only You
Can lead us to Your awesome majesty
Where we, we will be worshiping You only
It's You only
You only, it's You only
You only, it's You onlyYou came to free them they condemned You
They nailed You up and tried to tear Your glory down
But to their shame Sunday came
They realized that even death can't hold YouOnly You
Can lead us to Your awesome majesty
Where we, we will be worshiping You only
It's You only
You only, it's You only
You only, it's You onlyIt's You only, yeah
