Lost for Words

Ronan Keating

If I can't find the wordsWaiting for this feelin'
That I'm drownin' in to subside
You make me swim like a beginner
Like I'm new at lifeAll these words don't come easy
No, they always seem to stop
There is awkward silence, yeah
Anytime we talkOh, but I wanna let you in
I wanna ease all your doubts
I keep trying to get it outBut if I can't find the words
To tell you what I'm feeling
Baby, that don't mean
It don't mean that I don't feel itI'm trying to tell you, girl
But if you don't believe just look and see
My face says what you mean to me
When I can't find the wordsI know, I can send you flowers
To try to make my feelings clear
And girl, I could hold you tight for hours
I wanna tell you what you're trying to hearOh, and I wanna let you in
I wanna ease all your doubts
I keep trying to get it outBut if I can't find the words
To tell you what I'm feeling
Baby, that don't mean
It don't mean that I don't feel itI'm trying to tell you, girl
But if you don't believe just look and see
My face says what you mean to me
When I can't find the wordsGirl, I know sometimes I leave you so upset
'Cause I got all these bits and pieces in my head
I know because I let you struggle with the things I haven't saidWhen I can't find the words
When I can't find the wordsWhen I, when I
When I can't find the words
I wanna ease all your doubts, ease all your doubts
I keep trying to get it outBut if I can't find the words
To tell you what I'm feeling
But baby, that don't mean
It don't mean that I don't feel itI'm trying to tell you, girl
But if you don't believe just look and see
My smile says what you mean to me
When I can't find the wordsIf I can't find the words
To tell you what I'm feeling

But baby, that don't mean
It don't mean that I don't feel itI'm want to tell you, girl
But if you don't believe just look and see
My smile says what you mean to me
When I can't find the words
