

Bullet Proof Cupid

Girls Against Boys

Everybody stay nice go drive
Everybody wanna live that sexy ride
Stop the machine
If you see something you could likeIt's a lot more physical right now
Everybody everywhy
Paralyze you
It's a lot more physical right nowExpress it now
X-X-X-Press it now
You want a little more soulshakeIt's gonna paralyze you
By the shine of your head
Paralyze you
Till I'm fucking deadX-Press it NowNobody's perfectX-X-X-Press it now
