Blue Jade

Glenn Hughes

She wears a blood red rose
Her face she never shows
Through the doorway to the window
In the lightA vision in a dream
And I don't know what it means
Is it my imagination
Or is it you?Blue Jade comes to my room
She won't go
Gold shade covers the moon
And I don't know about blue JadeIs it fate or destiny?
Only she does hold the key
Fallen angel
I am driven to your sideFrom the moment you are here
I'm a man without a fear
You're the reason, my religion
You're my guideBlue Jade comes to my room
She won't go
Gold shade covers the moon
And I don't know about blue JadeAnd when she comes to me
Lord I never wanna be
Broken hearted
Disillusioned by her smileAnd I know it just can't be
When I hear your symphony
Am I sleeping?
Is this really in my mind?I can feel and I can see
Every time she comes to me
And I just can't believe
You're in my lifeBlue Jade comes to my room
She won't go
Gold shade covers the moon
And I don't knowBlue Jade comes to my room
She won't go
Gold shade covers the moon
And I don't knowBlue Jade
Blue Jade
Blue Jade
