

Blue Jade

Glenn Hughes

She wears a blood red rose
Her face she never shows
Through the doorway to the window
In the light A vision in a dream
And I don't know what it means
Is it my imagination
Or is it you? Blue Jade comes to my room
She won't go
Gold shade covers the moon
And I don't know about blue Jade Is it fate or destiny?
Only she does hold the key
Fallen angel
I am driven to your side From the moment you are here
I'm a man without a fear
You're the reason, my religion
You're my guide Blue Jade comes to my room
She won't go
Gold shade covers the moon
And I don't know about blue Jade And when she comes to me
Lord I never wanna be
Broken hearted
Disillusioned by her smile And I know it just can't be
When I hear your symphony
Am I sleeping?
Is this really in my mind? I can feel and I can see
Every time she comes to me
And I just can't believe
You're in my life Blue Jade comes to my room
She won't go
Gold shade covers the moon
And I don't know Blue Jade comes to my room
She won't go
Gold shade covers the moon
And I don't know Blue Jade
Blue Jade
Blue Jade
Blue Jade
