When You Say Nothing At All

Ronan Keating

It's amazing how you can speak right to my heart
Without saying a word you can light up the dark
Try as I may I can never explain
What I hear when you don't say a thingThe smile on your face let's me know that you need me
There's a truth in your eyes saying you'll never leave me
The touch of your hand says you'll catch me wherever I fall
You say it best, when you say nothing at allAll day long I can hear people talking out loud (oh?)
But when you hold me near (oh, hold me near)
You drown out the crowd (drown out crowd)
Try as they may, they could never define
What's been said between your heart and mineThe smile on your face let me know that you need me
There's a truth in your eyes saying you'll never leave me
The touch of your hand says you'll catch me wherever I fall
You say it best, when you say nothing at all?ohThe smile on your face let's me know that you need me
There's a truth in your eyes saying you'll never leave me
The touch of your hand says you'll catch me wherever I fall
You say it best, when you say nothing at allYou say it best, when you say nothing at all
You say it best, when you say nothing at all
(The smile on your face)
You say it best, when you say nothing at all
(The truth in your eyes)
(The touch of your hand)
You say it best, when you say nothing at all
(Let me know that you need me)
You say it best, when you say nothing at all (nothing at all)
You say it best, when you say nothing at all (nothing at all)
You say it best, when you say nothing at all (nothing at all)
