Talk Like That

The Presets

Uh oh! (5x)My, how you've grown
I think I'll call you on the telephone
And tell you all the things that I've been missingUh oh!Turn out the lights
Where we're going we don't need 'em tonight
We're at your daddy's home but he's not listeningYou make me crazy when you
Talk like that
I might go crazy when you
Talk like thatYou know I love it when you
Talk like that
And girl I'm crazy when you
Talk like that
You make me crazy when youUh oh! (2x)Our time has come
Start of the race and we're ready to run
We're on a roll tonight and you won't fight itDon't like to see
Send them the memo tough cheese
They ought to try sometime they might just like itTalk like that
I might go crazy when you
Talk like thatA little creepy when you
Talk like that
Girl I love it when you
Talk like that
You make me crazy when youUh oh!You make me crazy when you
Talk like that
I might go crazy when you
Talk like thatA little scary when you
Talk like that
But kid I love it when you
Talk like that
You make me crazy when you
