

Big Black Woman

[Sugar Ray](#)

Now it's my chance for a one night stand
And I'm king of the can, I'm a ladies man
I got so many women hanging on my sleeve
So many fine women you wouldn't believe Just wait till ya get near my feet
I got elastic love for a tournament
I can't stand the need now super freak
Come on and ride with me See that nation by the barn
With a foggy drink, yeah, that's a start
We got big clothing, that's a cure
Now I took it home so what the Hell Back off big black woman
Back off big black woman Woke up this month to the greatest site
Of the man who has to spend the night
So the name was bad and I was good
45 check under the hood, like this Back off big black woman
Back off big black woman Give me liberty or give me death
Give me liberty or give me death
Give me liberty or give me death
(Oh, I like that one)
