Mr. Bartender (it's So Easy)

Sugar Ray

Hey, Sugar Ray
Look at that
It's so easy
It's so right
(Bartender)
It's so easy
To rock it all night
(Bartender)
It's so easy
It's so right
(Bartender)
It's so easy
(Come on)
To rock it all night
(Oh)
Mr. Bartender
Mr. DJ
Make me feel good
I got fired today
Don't wanna be at home alone tonight
Ladies take your hair down
Put your drinks on the ground
Just get on the floor and lose your mind
It's so easy
It's so right
(Bartender)
It's so easy
To rock it all night
(Bartender)
It's so easy
It's so right
(Bartender)
It's so easy
(Come on)
To rock it all night
(Oh)
If you came to break us down
Your headin' for the door
(Bartender)

Don't try to act like
You're too good for the floor
(Bartender)
If you came to break us down
Your headin' for the door
(Bartender)
Don't try to act like
You're too good for the floor
(Oh)
Mr. Bartender
I've had a bad day
Gimme a shot
I got fired today
I Just wanna burn the night away
Gonna stay til a quarter of 4
'Cause I don't have to be at work no more
Just wanna turn the night to day
(It's so easy, easy)
(It's so easy, easy)
It's so easy
It's so right
(Bartender)
It's so easy
To rock it all night
It's so easy
It's so right
(Bartender)
It's so easy
(Come on)
To rock it all night
(Oh)
One for the money
One two for the show
Kick back and lay back
Watch the inner flow
(It's so easy)
5 o'clock the bars cut me lose
I'm up in the club
The gin and the juice
Got you freaks and blondes
One chick behind
I spilled all my liquor
We going outta mind
Almost outta time
Get down bump and grind

DJ stop rewind
Lemme pour you some wine
So you can break it on down
Let's do it like this til the next time
We're gonna do it like this
Do it like that
Do it like this
Nah, we ain't gonna do it like that
Do it like that
Everybody jam across the land
Do it like this
Do it like that
Do it like this
Nah, we ain't gonna do it like that
Do it like that
We can do it like this
From the front to the back
If you came to break us down
Your headin' for the door
(Bartender)
Don't try to act like
You're too good for the floor
(Come on)
If you came to break us down
Your headin' for the door
Don't try to act like
You're too good for the floor
(Oh)
Like I said once before
Everybody throw your hands from side to side
Like this no no your not doin' right
Over here look look look
It's so easy
(It's so what?)
It's so right
(Bartender)
It's so easy
(What what)
To rock it all night
(Everybody now)
It's so easy
(It's so what?)
It's so right
(Bartender)
It's so easy

(Come on)
To rock it all night
(Oh)
Bartender
It's so easy
