

# Love Is Worth Fighting For

Haley Reinhart

Hold tight  
Mama used to say  
It's alright  
No need to be afraid  
Confusion  
Is the damndest thing  
One day your flying  
The next you've lost your wings  
But I'm getting tired of all this  
fronting  
Feels like I'm running on empty  
for nothing  
Now I'm telling you  
I can't take no more  
'Cause I feel the weight  
Of the world on me  
Tell me the truth  
That it's not in vein  
Broken promises  
They can be saved  
To this day  
I believe  
There's no shame  
'Cause love is worth fighting for  
When it takes you  
It's the grandest thing  
It'll make you  
It can break you just the same  
But I'm getting tired of all this  
fronting  
Feels like I'm running on empty  
for nothing  
Now I'm telling you  
I can't take no more  
'Cause I feel the weight  
Of the world on me  
Tell me the truth  
That it's not in vein  
Broken promises

They can be saved  
To this day  
I believe  
There's no shame  
'Cause love is worth  
Love is worth  
Love is worth fighting for  
Tell me now  
Won't you tell me now  
Won't you tell me now  
Can you tell me now  
Won't you tell me now  
Is it worth fighting for  
Well I'm telling you  
I can't take no more  
'Cause I feel the weight  
Of the world on me  
Tell me the truth  
That it's not in vain  
Broken promises  
They can be saved  
To this day  
I believe  
There's no shame  
'Cause love is worth  
Love is worth  
Love is worth fighting for

I said love is worth, Love is worth, Love is worth fighting for 3x
