Pork and Beans

Weezer

They say I need some Rogaine to put in my hair

Work it out at the gym to fit my underwear

Oakley makes the shades that transform a tool

You'd hate for the kids to think that you lost your coolI'ma do the things that I wanna do

I ain't got a thing to prove to you

I eat my candy with the pork and beans

Excuse my manners if I make a sceneI ain't gonna wear the clothes that you'll like

I'm fine and dandy with the me inside

One look in the mirror and I'm tickled pink

I don't give a hoot about what you thinkEveryone likes to dance to a happy song
With a catchy chorus and beat so they can sing along

Timbaland knows the way to reach the top of the chart

Maybe if I work with him I can perfect the artI'ma do the things that I wanna do I ain't got a thing to prove to you

I eat my candy with the pork and beans

Excuse my manners if I make a sceneI ain't gonna wear the clothes that you'll like I'm fine and dandy with the me inside

One look in the mirror and I'm tickled pink

I don't give a hoot about what you thinkI don't care

I don't care

I don't care, I don't care, I don't care
I don't careI'ma do the things that I wanna do
I ain't got a thing to prove to you
I eat my candy with the pork and beans

Excuse my manners if I make a sceneI ain't gonna wear the clothes that you'll like
I'm fine and dandy with the me inside
One look in the mirror and I'm tickled pink
I don't give a hoot about what you think
