

I Come Tumblin'

Grand Funk Railroad

I come tumblin' down
From the darkness, I
Stretch my arms out to
Catch the sound, yeah I hear grumblin' and
Broken heartness is
Slowly spreading and
Going 'round Half the people are
Never knowing and
Never caring and
Never showing their Love for sisters, as
Well as brothers, let's
Teach our children to
Love each other Slowly coming the
Thought of losing
The world is ever so near Let's start showing and
Let's start growing with love
There's nothing to fear Da, da, da-da, da
Da, da, da-da, da
Da, da, da-da, da
Da, da, da-da, da Da, da, da-da, da
Da, da, da-da, da
Da, da, da-da, da
Da, da, da Oh yeah, oh yeah
Oh yeah, oh yeah Da, da, da-da, da
Da, da, da-da, da
Da, da, da-da, da
Da, da, da-da, da Da, da, da-da, da
Da, da, da-da, da
Da, da, da-da, da
Da, da, da Oh yeah, oh yeah
Oh yeah, oh yeah
Yeah
