

# Addicted to You

## Last November

I love your hair, your touch, and the clothes you wear.  
I want to make you smile, when you dont feel pretty.  
I want to be that guy, tonight.

(Chorus)

I could be addicted to you. (to you)  
And I, I could be addicted to you.(to you)  
And I, I could be addicted to you.(to you)  
And I, I could be addicted to you, to you.

Butterflies, why dont I, know what to say to you?  
Our friends are boring, we'll sneak off to another room.  
But we've got to keep quiet, I'll whisper in your ear.  
"What are your intentions, here?"

(Chorus)

This could be the feeling, they describe in the movies.  
One more sappy love story, cus we're made for t.v.  
We'll watch the sun come up from here.  
I know you hate this time of year.  
I'll watch the breath roll of your lips, so whisper...

I could be addicted to you, to you, to you.  
I could be addicted to you, to you, to you  
(i want to make you smile, i want to make you smile)  
I could be addicted to you x3  
And i...
