All Is Illusory

The Velvet Teen

undecided on the role you'd yet to play
down the recital hall when all were turned away
you passed like a dream
when you wake
you had no choice
good will finds us
your eyes give you away
a watch that windes up
in a second hand display
yo lose track of time
with you, i'd run away
have you see this boy?
you'd never infer what we were in for
oh... i though you were somwone else
like a lock of to keep you close to me
tongue in silent prayer on the bead of your rosary
i am nothing more
all is illusory
a dream of sorts
you'd never infer what we were in for
oh... i though you were someone else
