

# Counterfeit Life

## Starsailor

Come down, slowly  
Hotel lobbyOur lives are counterfeit  
If we don't lay down  
I should be used to it  
But I'm losing my strength nowCome a time when  
This darkness will endA war for corporate glory  
Re-told as a fairy storyCome a time when  
This darkness will endI got enough respite to keep on trying  
I got enough respite to keep from cryingCome a time when  
This darkness will endWe should be used to it  
Our lives are counterfeit  
So let's get back to earth  
And make the best of itWe should be used to it  
Our lives are counterfeit  
So let's get back to earth  
And make the best of itWe should be used to it  
Our lives are counterfeit  
So let's get back to earth  
And make the best of itWe should be used to it  
Our lives are counterfeit  
So let's get back to earth  
And make the best of it
