Ominous Man

The Verve Pipe

i should be half a mile from here

i will go anywhere she goes
shoulder the bags of a previous lover
i will go anywhere she goes
sleep on the pillow that reeks
of another

a will of mine to be impressive
i'm an amorous man

i will go anywhere she goes
travel whenever, whatever the distance

the court deemed me to be offensive
i'm an ominous man

once love is unanimous
no order demands

i should be half a mile from here

the court deemed me to be obsessive
i'm the ominous man
jury reject the alibi's seemingly water-
tight
for the ominous man

i am the ominous man
