

# Dana Katherine Scully

## Tacocat

verse 1

there must be an explanation  
a logical way to find  
the constant paranormal is nothing that  
that can't be definedhook  
cuz she's the only one  
thinking it through  
she's got the shoulder pads  
no nonsense attitudechorus  
the truth is out there  
but so are lies

to see the world through

dana katherine scully's eyesverse 2

the picture of composure

she knows the facts and she won't pass it by

she wants to know what's out there

but she needs to know whyhook

cuz she's the only one

thinking it through

she's got the perfect hair

no nonsense attitudechorusbridge

there's a monster every single week

lost time and ghosts in the machine

there's a bee dome in the desert

searching for the sister foreverchorusoutro

she owns the (???)

she separates the fact from fiction
