

Feel Flows

Beach Boys

Unfolding enveloping missiles of soul
Recall senses sadly
Mirage like soft blue like lanterns below
To light the way gladly Whether whistling heaven's clouds disappear
Whether wind withers memory
Whether whiteness whisks soft shadows away (White hot glistening shadowy flows)
Feel flows, feel goes
(Black hot glistening shadowy flows) Unbending, never ending tablets of time
Record all the yearning
Unfearing, all appearing message divine
Eases the burning Whether willing witness waits at my mind
Whether hope dampens memory
Whether wondrous will stands tall at my side (White hot glistening shadowy flows)
Feel flows, feel goes
(Black hot glistening shadowy flows) Encasing, all embracing wreath of repose
Engulfs all the senses
Imposing, unclosing thoughts that compose
Retire the fences Whether wholly heartened life fades away
Whether harps heal the memory
Whether wholly heartened life fades away
Whether wondrous will stands tall at my side
Whether whiteness whisks soft shadows away (White hot glistening shadowy flows)
Feel flows, feel goes
(Black hot glistening shadowy flows)
(White hot glistening shadowy flows)
Feel flows, feelings to grow
(White hot glistening shadowy flows) White hot glistening shadowy flows
White hot glistening shadowy flows
White hot glistening shadowy flows
