

# Black and Blue - Remastered Album Version

## Van Halen

Slip n' slide, push it in  
Bitch sure got the rhythm  
I'm holding back, yeah, I got control

Hooked into her system  
Don't draw the line  
Honey, I ain't through with you

The harder the better  
Let's do it 'til we're black and blue  
Well, you never know when love will come  
Gotta get it while you got it  
A little bit of everything, even when it hurts

Sure feels good  
Don't draw the line  
Honey, I ain't through with you  
The harder the better  
Let's do it 'til we're black and blue

Yo mama!  
Black and blue  
Black and blue, yo mama!  
Black and blue  
Gotta, gotta, gotta, get it right  
Black and blue

Don't draw the line  
Honey, I ain't through with you  
The harder the better  
We'll do it 'til we're black and blue

Don't draw the line  
Baby, I ain't through with you  
The harder the better  
Let's do it 'til we're black and blue

The wetter the better  
Let's do it 'til we're black and blue

Do it 'til we're black and blue  
The wetter the better  
Let's do it 'til we're black and blue
