

all rise

Unitard

Yo, yo, yo, yo

Your honor please gotta believe what I say
What I will tell, happened just the other day
I must confess 'cause I've had about enough
I need your help, gotta make this here thing stop

Baby, I swear I'll tell the truth

About all the things you used to do

And if you thought you had me fooled

I'm telling you now, objection overruled

Here we go, oh baby

One for the money and the free rides

It's two for the lie that you denied, all rise, all rise

Three for the calls that you've, been making

It's four all the times you've been faking, all rise, all rise

(I'm gonna tell it to your face)

(I rest my case)

You're on the stand with your back against the wall

Nowhere to run and nobody you can call, oh no

I just can't wait, now the case is open wide

You'll try to pray but the jury will decide

Baby I swear I'll tell the truth

About all the things you used to do

And if you thought you had me fooled

I'm telling you now, objection overruled, oh baby

One for the money and the free rides

It's two for the lie that you denied, all rise, all rise

Three for the calls that you've, been making

It's four all the times you've been faking, all rise, all rise

(I'm gonna tell it to your face)

(I rest my case)

So step back 'cause you don't know this cat

I know deep down to that, you don't want me to react

I, I'll lay low, leaving all my options open

The, the decision of the jury has not been spoken

Step in my house, you find that your stuff has gone

But in reality to whom does the stuff belong

I bring you into court, to, to maybe preach my order

Any you know that, you overstepped the border, ah, ah

One for the money and the free rides

It's two for the lie that you denied, all rise, all rise
Three for the calls that you've, been making
It's four all the times you've been faking, all rise, all rise
One for the money and the free rides
(What you say, games you play)
It's two for the lie that you denied, all rise, all rise
(What you've done)
Three for the calls that you've, been making
(What you say, games you play)
It's four all the times you've been faking, all rise, all rise
(What you've done? Where you've gone?)
One for the money and the free rides
It's two for the lie that you denied, all rise, all rise
Three for the calls that you've, been making
It's four all the times you've been faking, I said, "All rise, all rise"
(I rest my case)
