

# Love Dream

Franz Liszt

Never have I wanted someone like this before  
Now we are all alone, let me explain it more  
A little romance girl is all that's on my mind  
Tonight we could fly so high, I'll do all the things you like  
(If it's all right, can I)  
Come lay next to you girl  
(If it's okay, can I play)  
And climb into your world  
(I know it's late but I can't wait)  
I need to feel you now  
This is my love dream, dream  
Time after time girl these thoughts race through my mind  
When I'm asleep girl, I dream your body's next to mine  
I wanna wake up to your smile and look into your pretty eyes  
I'm glad you fell off that cloud and now you're here with me  
Now my angel  
(If it's all right, can I)  
Come lay next to you girl  
(If it's okay, can I play)  
And climb into your world, your world  
(I know it's late but I can't wait)  
I need to feel you now  
This is my love dream  
(If it's all right, can I)  
Come lay next to you girl, you girl  
(If it's okay, can I play)  
And climb into your world  
(I know it's late but I can't wait)  
I need to feel you now, baby  
This is my love dream  
If it's alright, can I, if it's okay, can I play  
If it's alright, can I, if it's okay, can I play  
I know it's late but I can't wait, if it's okay, can I play  
This is my love dream  
(If it's all right, can I)  
Come lay next to you girl  
(If it's okay, can I play)  
And climb into your world, your world  
(I know it's late but I can't wait)

I need to feel you now  
This is my love dream  
If it's alright, can I  
(I just wanna need you baby)  
If it's okay, can I play  
I know it's late but I can't wait  
(Can't wait)  
This is my love dream  
Girl anything, any complication  
Everybody, I just wanna let you know  
I've been dreamin' about this girl that's with me  
Oh baby, oh baby, can't feel me
