

# Don't Worry Baby

**B.J. Thomas**

Well it's been building up inside of me  
for oh I don't know how long  
I don't know why but I keep thinkin'  
something's bound to go wrong  
But she looks in my eyes  
And makes me realize when she says.

Don't worry baby  
Ev'rything will work out all right  
Don't worry baby oo.

I guess I should-a kept my mouth shut  
when I start to brag about my car  
But I can't back down now because I  
pushed the other guys too far  
She makes me come alive  
And makes me want to drive when she says.

Don't worry baby  
Ev'rything will work out all right  
Don't worry baby oo.

She said now baby when you race today  
just take along my love for you  
And if you knew how much I loved you baby  
Nothing could go wrong with you  
Oh what she does to me  
When she makes love to me and she says.

Don't worry baby  
Ev'rything will work out all right.
