Solarfall

Immortal

Believe the sea high waves
Upon our coming stormHear the roaring tide
As we name a dawnSee the ice
In which we craft our souls
Earth's frozen cries
The dark benight your kindMonstrously the seas rage afar
As if to hide from that which nearSkyward from the sea salt air
Our vision knew a giant fallSee the ice
In which we craft our souls
Life's frozen cries
The dark benight your kindA place of utterness
Beyond the wilderness
Through a darkened terrain
That fades in emptinessWalkers of the dust
Survivors of the blast
Slowly they move but far
Behind all time
Into the solar fallBelieve the sea high waves
Upon our coming stormHear the roaring tide
As we name a dawnMonstrously the sea rages afar
As if to hide from what which nearSkyward from the seas alt air
Our vision knew a giant fallSee the ice
In which we craft our souls
All frozen cry
The dark benight your kindThe last sunset flame
Dust of ice drifts the Earth
Lightning plays
In depths of no rebirth
