Sex On The Ceiling

Sevyn Streeter

Fuck a mattress, being on the floor
I'mma need just do a little more yea ohSlower is overrated
Baby I anticipated tonight
It's when we goin be oneTurn the bed upside down, flip me round
Gravity's left the building
I'll be on top, really I'll be on the bottom
'Cus we goin be having sex on the ceilingTake me higher, take me higher boy
Switch it up one time,
Want you to drive me crazy
Baby we goin have sex on ceilingI don't ever ever wanna come down boy
And I have you standing up when I'm around boy
So whenever you get that feeling
Baby we goin have sex on ceilingNothing to make us burn the carpet
I need some furniture, let's get it startedBut my body is orthopedic
Victoria, give me the secret
And I've been saving it for youI turn the TV up, up, up, up
I'm so proud of droppin it low
Til the jump don't stop, let's goTurn the bed upside down, flip me round
Gravity's left the building
I'll be on top, really I'll be on the bottom
'Cus we goin be having sex on the ceilingTake me higher, take me higher boy
Switch it up one time,
Want you to drive me crazy
Baby we goin have sex on ceilingI don't ever ever wanna come down boy
And I have you standing up when I'm around boy
So whenever you get that feeling
Baby we goin have sex on ceilingI turn the TV up, up, up, up
I'm so proud of droppin it low
Til the jump don't stop, let's go
I turn the TV upBaby take me, baby harder
You can my... what we say
I'm so proud of droppin it low
Til the jump don't stop, let's goTurn the bed upside down, flip me round
Gravity's left the building
I'll be on top, really I'll be on the bottom
'Cus we goin be having sex on the ceilingTake me higher, take me higher boy
Switch it up one time,
Want you to drive me crazy
Baby we goin have sex on ceilingI don't ever ever wanna come down boy

And I have you standing up when I'm around boy
So whenever you get that feeling
Baby we goin have sex on ceilingSex on ceiling
Sex on ceiling
