

# One Place

## Everything But the Girl

Summer evening, I walk past the windows  
Baby crying, someone's cooking dinner  
There's laughter on the TV, someone's learning the violin  
How that home appeals  
At times like this, I feel I would like to live like anybody else  
In one place  
I could be happy and fulfilled  
In one place So I get the map out  
(Get the map out)  
I draw a line of where we've been (Goes through sea and sky)  
It goes through sea and sky  
Twenty-five planes this year  
And it's only July This is not some Bible, like "On the Road"  
It's just a song about coming home  
And whether I could live like anybody else  
In one place  
If I could be happy and fulfilled  
In one place You know that I have found  
I'm happiest weaving from town to town  
And you know, Bruce said  
"We should keep moving 'round" Maybe, we all get too tied down, I don't know  
Yeah, I don't know  
Happy to be home  
(Still I'm)  
Happy to be home  
(Alright) In the end, if you take care  
You can be happy or unhappy anywhere I think we maybe all rely too much  
On one place  
Though I never would deny the need  
For one place I think, we maybe all rely too much, baby  
On one place  
I know I never would deny the need  
For one place For one place  
(For one place, baby)  
One place  
(One place, baby)  
Oh yeah It goes through sea and sky  
(It goes through sea and sky)  
One place  
One place

(Goes through sea and sky)I'm happy to be home  
(Still I'm happy to be home)  
Happy to be home  
(Oh, still I'm happy to be home)Goes through sea and sky  
(Sea and sky)  
(It goes through sea and sky)Get the map out  
(Get the map out)  
Won't you, baby?  
(Get the map out)  
Oh yeah  
(Get the map out)Get the map out, oh yeah, baby  
(Twenty-five planes this year)  
Get the map out, it's alright  
(After all, twenty-five planes this year)  
C'monGet the map out  
(Oh yeah)  
Get the map out  
(Oh yeah)  
C'mon, get the map out  
I said, get the map out
