

# Desperado

Alice Cooper

I'm a gambler and I'm a runner  
But you knew that when you lay down  
I'm a picture of ugly stories  
I'm a killer and I'm a clown Step into the street by sundown  
Step into your last goodbye  
You're a target just by living  
Twenty dollars will make you die I wear lace and I wear black leather  
My hands are lightning up on my gun  
My shots are clean, my shots are final  
My shots are deadly and when it's done You're as stiff as my smoking barrel  
You're as dead as a desert night  
You're a notch and I'm a legend  
You're at peace and I must hide Tell where the hell I'm going  
Let my bones fall in the dust  
Can't you hear that ghost that's calling  
As my colt begins to rust, in the dust I'm a killer, I'm a clown  
I'm a priest that's gone to town
