

# Gates of Steel (Version #2) [Live]

## Devo

Twist away the gates of steel  
Unlock the secret voice  
Give in to ancient noise  
Take a chance a brand new dance  
Twist away the gates of steel Twist away, now twist and shouty  
The earth it moves too slow  
But the earth is all we know  
We pay to play the human way  
Twist away the gates of steel A man is real not made of steel But the earth is all we know  
We pay to play the human way  
Twist away the gates of steel The beginning was the end of everything now  
The ape regards his tail, he's stuck on it  
Repeats until' he fails  
Half a goon and half a God  
A man's not made of steel Twist away, now twist and shout  
The earth it moves too slow  
But the earth is all we know  
We pay to play the human way  
Twist away the gates of steel A man is real that's how he feels
