

All Around The World

Boyz II Men

London, Paris, Monte Carlo, Germany and Rome
Different places, different faces, still it feels like home
China, Holland, Belgium, Rio, Africa, Japan
That's the way we live and we do the best we can
Here we go on another tour on the road again
 Feelin' good, it's alright
 Just enjoying ourselves
 Come and take a flight with
 Boyz II Men, back around the world
And we're comin' through your town
 All we do is for you
 'Cause you've always been there
 And we appreciate you
Keisha, Kelly, Tonya, Stacy, Mica, and Lashaun
Kathy, Trina, Carla, Lisa, Cheri, and Diane
All these girls around the world are fly in every land
And it's hard to choose, but there's one for every man
Here we go on back in stride again
 (On another tour)
 Feelin' good, it's alright
 Just enjoying ourselves
 Come and take a ride with
 Boyz II Men, back around the world
And we comin', we comin' through your town
All we do, we do it for you 'cause you've always been there
 And we appreciate you
Houston, Phoenix, Carolina, Jersey, and the Keys
Denver, Boston, Mississippi, Georgia, Tennessee
Dallas, Cleveland, Cali, Philly, New York, and D.C.
That's the life we live, it's the only life for me
Here we go on the road again
 Feelin' good, it's alright
 Just enjoying ourselves
 Come and take a flight with
 Boyz II Men, back around the world
And we're comin' through your town
 All we do, we do it for you
 'Cause you've always been there
 And we appreciate you

Houston, Phoenix, Carolina, Jersey, and the Keys
Denver, Boston, Mississippi, Georgia, Tennessee
Dallas, Cleveland, Cali, Philly, New York, and D.C.

All we do is for you

"Cause you've always been there

And we appreciate you

Vegas, Alabama, Hampton, Indiana too
Seattle, Kansas, Detroit, and Kalamazoo
Memphis, Milwaukee, Chicago, you know

All we do, we do it for you

'Cause you've always been there

And we appreciate you

Boyz II Men
