

Lookaway (with Jonathan Davis, DJ Leethal)

Sepultura

Each time I pull it apart
I get disgusted, can't do it today
What makes it so good
That a man would kill for it
Lie just to lick a bit Each time I pull it apart
I get disgusted, can't do it today
What makes it so good
To lie just to lick Fake it, you like it, just take me away.
(hold it?), just save it and I'll be repaid Each time I pull it apart
I get disgusted, can't do it today
What makes it so good
That a man would kill for it
To lie just to lick a bit Each time I pull it apart
I get disgusted, can't do it today
What makes it so good
To lie, to lick Take it, enlarge it, became it, before
Like it, I like it, and I'll be (can't tell) Fake it, then like it, just take it tonight.
Take it I look at you, (then) you look at me, (then) you look away [Repeat: x14]
