

# Baby's First Christmas

Connie Francis

It's baby's first Christmas  
It's somethin' to see  
Mommy and Daddy  
Trimmin' baby's Christmas tree  
Baby's big brother  
Is busy with his chores  
He's shinin' up the chimney  
For Santa Claus  
It's baby's first Christmas  
And oh, what a joy  
Shopping all around  
For every pretty toy  
It's a very special Christmas  
A blessing from above  
It's baby's first Christmas  
A Christmas full of love  
It's baby's first Christmas  
And oh, what a joy  
Shopping all around  
For every pretty toy  
It's a very special Christmas  
A blessing from above  
It's baby's first Christmas  
A Christmas full of love
