

# I Am Woman

## The Supremes

(Jule Styne/Bob Merrill)I am woman, you are man  
I am smaller so you can be taller than  
I am softer to the touch  
It's a feeling I like feeling very muchYou are someone whom I admire  
Still our friendship leaves something to be desiredDoes it take more explanation than this?  
I am woman you are man  
I am woman you are man  
Let's kissI am woman, you are man  
I am gentle so you can be barbarian  
I'm all pleats and pins and rouge  
Mostly sham but ma'am  
I love the subterfugeIm am fiction I hope you are fact  
Contradiction's what makes it a perfect actDoes it take more explanation than this?  
I am woman you are man  
I am woman you are man  
Let's kiss
