Hey Maria

Audio Karate

Maria hey don't be too late you'll make me crazy
if we're controlled by what is free
you should tangle up with me
you're the whore i wanna squeeze
until all she wants is me
you're the soul i wanna sew
shine in all the things i do
you're the whore i wanna save from the haze
Maria hey don't be too late you'll make me crazy
you're the whore i wanna squeeze
until all that's left is me
love sick lover I concede to the ample offering
could have stole it if I wanted to
sha na na oh the things I do
you're the whore I wanna save from the haze
