

# Truly Amazing

## P.o.d.

And I see amazing  
And I feel it too  
I wish you could meet her  
'Cuz she comes and goes  
And when you see her you'll know  
Love  
Truly amazing  
Love for the fallen  
Truly amazing  
Heal the broken hearted  
Truly amazing  
Love for the fallen  
And I know amazing  
And I feel her too  
I wish she could meet you  
But if you don't have the time  
She might run off and hide away  
Love

Truly amazing  
Love for the fallen  
Truly amazing  
Heal the brokenhearted  
Truly amazing  
Love for the fallen  
Shine down your love, love  
Bring down your love, love  
Love

Truly amazing  
Love for the fallen  
Truly amazing  
Heal the broken hearted  
Truly amazing  
Love for the fallen  
Truly amazing  
Shine down your love, love  
Bring down your love, love
